

Fund Campaign for Church Auditorium Set to Begin

Narbonne Avenue Baptist Church of Lomita has voted to begin a two-year campaign to raise funds for a new auditorium. Plans call for the erection of a place of worship that will seat 1,300 people. The proposed building would be on Narbonne Avenue.

A central committee has been selected to direct the fund-raising campaign to be begun on June 9.

The pastor, Robert A. Wells, will speak Sunday on the subject, "Stumbling Blocks or Stepping Stones."

"In the dark everyone has known the hurt of stumbling

over an unseen object. In the spiritual world there are stumbling blocks also. Even our lives can be such to those walking in the dark. Just as surely our lives can also be used as an example to help guide. They would thus become stepping stones," Mr. Wells will state. This sermon will be delivered at the 8:30 and 10:50 a.m. services.

THE 7:30 P.M. message by the pastor will be "Here Am I." The youth of the church will enjoy a time of fellowship following the evening service.

The church welcomed its new educational secretary and youth worker, Miss Nancy Bridges, at the evening service last Sunday. A surprise reception in her honor followed the 7:30 p.m. service.

The church will conduct its spring Revival May 27 to June 3. Dr. H. Guy Moore from Fort Worth, Tex., will be the evangelist.

GETTING IN PRACTICE . . . Kevin Faller and Rebecca Miller, South High students, get in practice for the St. Andrew's Episcopal Church's Young Peoples Fellowship "Slave Day" from 9 a.m. to 4 p.m. Saturday. The youths will clean garages, wash walls, and cars, baby sit and do other jobs to raise funds for a St. Andrew window in the new church extension now under construction. Persons interested in having the teenagers do odd jobs may contact fellowship President Kathy Faller at FR 5-4619. (Herald Photo)

Stereo Program Scheduled For Lutheran Church Here

Pastor Maynard V. Midthun of Christ the King Lutheran Church has announced that the famed "Holiday in Stereo" concert would appear at the church at 7 p.m.

Joe Cosgrove, KPOL "musicaster" and creator of the series, will speak on the subject, "America, Land of the Free." Cosgrove is known throughout the Southland for his Sunday morning stereocasts.

Also on the air at other times on Sunday, Cosgrove's program is unique in the broadcast field. Commercially sponsored, the radio programs feature a combination of classical, inspirational, and patriotic music. It was out of the Sunday morning program that the concert series was born.

THE STEREO concert features the voices of Greg and Barbara Loren of Hollywood. Young Loren—known by his many TV appearances, films for MGM, and record albums

Free Lecture On Christian Science Set

How spiritual healing brings true joy and freedom will be the topic of a lecture on Christian Science to be given in Torrance on Tuesday at 8 p.m., by Francis William Cousins of Manchester, England.

Cousins will speak in First Church of Christ, Scientist, 218th Street and Manuel Avenue. His subject will be, "Christian Science Brings True Freedom to Mankind." The lecture is free, and the public is invited to attend.

On extensive tour as a member of the Christian Science Board of Lectureship, Cousins is a former member of the Christian Science Committee on Publication for Lancashire, England.

A native of London, he was employed for many years with a firm of West African merchants, attaining managerial rank. He withdrew from business in 1951 to devote his full time to the public practice of Christian Science healing and to service to the Christian Science organization.

The family program is free, but a free-will offering will be taken.

The church is located at 2706 W. 182nd St.

Foundation Post Goes To Doctor

Dr. Fred Smith Jr., 1219 Cranbrook Ave., has been appointed to the National Kidney Disease Foundation scientific advisory council.

The council, composed of 24 Southland doctors, sets medical policies for the foundation's Southern California chapter, according to Dr. Morton H. Maxwell, UCLA Medical Center, council chairman.

Founded in 1954, the chapter sponsors a program of community education, patient aid and research. This year the chapter allocated \$16,000 for research seeking the cause and cure of kidney diseases.

Holy Name Sets Saturday Dance

A night of fun and dancing has been promised by officers of the Holy Name Society at St. Margaret Mary's church in Lomita when that organization sponsors a dance Saturday night at 2100 W. Willow, Long Beach. The Musical Five will provide music. Information on tickets may be obtained from Marge Merrill, 3302 Danaha Street.

Bake Sale Scheduled

A rummage and bake sale has been scheduled Friday and Saturday from 10 a.m. to 8 p.m. at 2147 W. 237th St. by the Ladies Auxiliary of the First Pentecostal Church.

Lesson-Topic For Sunday Announced

More meaningful goals are attained through spiritual enlightenment. This is a theme of the Lesson-Sermon "Mortals and Immortals" which will be heard Sunday in all Christian Science churches.

Among the Scriptural selections will be Paul's counsel to the Corinthians (1 Cor. 15), "My beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord," and his admonition to the Colossians (3), "Set your affection on things above, not on things on the earth."

IN A CORRELATIVE passage from the Christian Science textbook, "Science and Health With Key to the Scriptures," Mary Baker Eddy states, "Advancing to a higher plane of action, through rises from the material sense to the spiritual, from the scholastic to the inspirational, and from the mortal to the immortal" (p. 256).

The Golden Text is from Romans (8:13), "If ye live after the flesh, ye shall die; but if ye through the Spirit do mortify the deeds of the body, ye shall live."

Choir to Present Musicale

A program of organ and choral music has been scheduled for 8 p.m. tonight at St. Andrew's Episcopal Church, 1432 Engracia Ave., featuring the senior choir of the church and Meridith Anderson, organist and director.

Tonight's program will include several anthems by the choir and organ solos performed on the church's recently installed Allen Organ. It will be the first major recital for the new organ.

Choral number will include "O Bless the Lord," by Ippolitov-Ivanov; "And They Drew Night," by Sowerby; "Adorate," a plain chant; and "When Children Play," by Fenner.

Selections chosen for the organ include Prelude and Fugue in D Minor by Bach; Prelude Nocturne (with carillon) by Edmundson; and Pergolesi's Sonata per Organo.

The entire program will be one hour in length, and "promises to be a musical treat for all who attend," according to the Rev. Hugh R. Percy, rector of St. Andrew's.

Film on Red Aims Slated

The controversial film, "Communist Encirclement — 1961," will be shown at Torrance Foursquare Gospel Church, 2150 W. Sepulveda, Sunday evening at 7:15.

Also known by the title, "Communism on the Map," the movie will be presented under the auspices of the Christian Youth Against Communism.

The public is welcomed and urged to attend, according to the pastor, the Rev. James P. Lowen.

Ner Tamid Sets Friday Service

Congregation Ner Tamid, South Bay's Conservative synagogue, will hold services Friday evening at 8:30 at the Redondo Beach Women's Club, 400 S. Broadway, Redondo Beach.

Rabbi Bernard Wechsber will deliver the sermon entitled, "There Were Giants on Earth." Mr. and Mrs. Haas and Mr. and Mrs. Reinshreiber will host the Oneg Shabbat following the service.

Cadillac

No place to tell a secret!

Take it from us, you'd better not try to exchange confidences in a new 1962 Cadillac.

For the car is so silent in operation—even at the legal limit of the road—that even a whisper can be heard.

But while that wondrous quiet might make it difficult to trade secrets—it speaks volumes about motor car quality and goodness.

For the silence of the Cadillac car is as unique as the circumstances that produce it.

Cadillac cars, for instance, are built in only one place—and they are built by men who build nothing else.

They are crafted to unbelievably fine tolerances. Some engine parts must be machined to

an accuracy of one ten-thousandth of an inch.

They are styled so scientifically that wind noise is reduced to a lullaby—and they are constructed so well and insulated so thoroughly that outside sounds are virtually eliminated.

They undergo more than 1400 inspections in the course of their manufacture and assembly—and are then subjected to the most authoritative final inspection in the industry.

You ought to visit your Cadillac dealer soon and sample the results for yourself. And while you're at the wheel—listen to the eloquent quiet.

It's one more example of why only a car that's designed like a Cadillac and built like a Cadillac can ride like a Cadillac.
